

Don River material available at Urban Affairs Library
Annotated Bibliography

A selection of material concerning the Don River, the watershed, or general issues that affect the Don River. Available at the Urban Affairs Library at Metro Hall, 55 John Street, unless otherwise noted. Comments are in italics. Catalogue call number in square brackets.

Analysis of water quality of the Don River: supporting document #5: strategy for improvement of Don River water quality. Beak Consultants. 1991. [363.7394 B24].

At the Forks. Newsletter of Friends of the Don East. 1994-. [not catalogued].
Issued approximately four times per year. Can be found in magazine stacks.

A time for bold steps: the Don watershed report card. Don Watershed Regeneration Council. Toronto and Region Conservation Authority. 2000. [333.9162 D578.2].
Status of the watershed environment based on 18 criteria. Updated from 1994 and 1997 (See Forty Steps...)

Bring Back the Don, newsletter. 1993-. [not catalogued].
Issued approximately twice per year. Can be found in magazine stacks.

Bring Back the Don: Teacher's Manual. Task Force to Bring Back the Don. 1993. [711.40971354 B671].
A collection of activities for students related to Don River studies.

Bringing Back the Don. City of Toronto. 1991. [711.40971354 B67].
Discussion of methods and projects that can lead to restoration of the Don River.

Don River biological inventory past, present and future evaluation: a report of the Toronto Area Watershed Management Strategy Steering Committee. Martin-Downs, Deborah. 1988. [574.92971354 M37].
Fish and benthic invertebrate studies. Includes Don River, Taylor Creek, German Mills Creek, and Wilket Creek.

Don River hydrology and hydraulics update. Marshall, Macklin, Monaghan Limited. 1992. [551.48309 M13].
Technical study of storm water flow and controls. Includes maps.

Don River watershed: State of the Ecosystem. Paragon Engineering Ltd. Metropolitan Toronto and Region Conservation Authority, 1992. [333.9162 P13].
Overview of environmental conditions in watershed.

Don River watershed survey: draft report. The Group, 1996. [333.9162 D577].

Don Roadway Open Space Corridor: design concept. Toronto Economic Development Corporation, 1999. [711.55240971 D26].

Green corridor proposal for Don Roadway (south of Lakeshore to turning basin).

Don: the history of the Don Valley, The. Rus Roslyn. c1998. [971.3541 R788].

Don Valley Brick Works. Metropolitan Toronto (Ont.). Parks and Culture Dept. 1997. [711.57097135 M263].

Don Valley Brick Works: heritage documentation and analysis. Unterman McPhail Cuming Associates. 1994. [666.73709 D58 U56].

Don Valley Brick Works: the company and its people: a report for East York Local Architectural Conservation Advisory Committee. Otto, Stephen A. 1998. [666.73709 D58].

Don Valley Brickworks: master planning study. Metropolitan Toronto Parks and Property Dept., 1990. [711.40971354 D58].

Don Valley Brickworks regeneration project : jobsOntario capital application. Metropolitan Toronto and Region Conservation Authority. 1993. [711.40971354 D585].

Don Valley Brickworks: Master Planning Study. Metropolitan Toronto Parks and Property Dept., 1990. [711.40971354 D58].

Don Valley Conservation. Ontario Dept. of Planning and Development. 1950. [333.91 O555.2].

Don Valley Conservation Trail. Don Valley Conservation Authority. c1950. [631.6 D58.2].

Don Valley corridor environmental and feasibility studies. Metropolitan Transportation Committee, 1985. [388.4068 M253].

Don Valley corridor transportation study. M.M. Dillon, 1983. [388.411 D58].

Draft of a proposed scheme for a Humber Valley & Don Valley greenbelt for submission to the Humber Valley conservation authority. Ontario. Dept. of Planning and Development. 1953. [917.1354 O557].

Ecolage: an environmental public art ideas competition for the Lower Don River Valley. City of Toronto. 1994. [709.71354 E185].

Environmental Commissioner of Ontario. Developing Sustainability. Annual Report 2001-2002. [344.31304 E5644].

Environmental Commissioner of Ontario. Thinking Beyond the near and now. Annual Report 2002-2003. [344.71304 E5644].

Forty steps to a new Don: the report of the Don Watershed Task Force. Metropolitan Toronto and Region Conservation Authority. 1994. [333.9162 D58].

Status of watershed environment based on 18 criteria. Updated in 1997: Turning the Corner...; 2000: A time for bold steps...

Framework for evaluating response of aquatic toxicity and fish habitat to water quality control in the Don River: supporting document #2: strategy for improvement of Don River water quality. Beak Consultants. 1991. [363.7594 B24].

Greening the Portlands. Waterfront Regeneration Trust. Michael Hough, Beth Benson, Jeff Evenson. Oct. 1997 [711.55809713 O561].

Strategies for enhancing 'green' elements of waterfront.

Keating Channel environmental assessment: main report. Acres Consulting Services, 1983. [627.40971 K24].

Report on dredging impacts and flood control measures on the Don.

Lake Ontario Greenway Strategy. Waterfront Regeneration Trust. 1995. [711.42097135 O56].

Establishing greenbelt along waterfront.

Lower Don Heritage Study. Ryerson Heritage Group. 1994. [363.69097 L596].

Lower Don Lands site remediation: challenges & opportunities. Waterfront Regeneration Trust. 1993. [Riverdale 711.50971 LOW].

Not in Urban Affairs collection. Riverdale and Northern District.

Lower Don Lands Strategy: flood protection and river regeneration concepts. Marshall Macklin Monaghan, prepared by Rob Bishop, P.Eng. 1994. [627.4 M125].

This report is the first systematic expression of ideas such as placing the mouth of the Don in 480 Lakeshore Blvd. Lands, naturalizing the Don Narrows and flood protections of the West Don lands with berms.

Lower Don Lands Strategy: Flood Protection & River Regeneration Concepts. Marshall, Macklin, & Monaghan Ltd. Prepared by Rob Bishop, P. Eng. 1994. [627.4 M125].

Lower Don River: regeneration strategy and naturalization plan, Pottery Road to the forks. Metro Parks & Culture, 1995. [333.91621 L5957].

Environmental study of section of Don River with suggestions for improvements.

Lower Don River Study. Hough Stansbury Woodland Ltd. 1991. [333.91621 L596].

Lower Don River Valley demonstration habitat wetland: environmental study report. Harrington and Hoyle. 1994. [711.40971354 H138].
Study of wetland sites that led to creation of Chester Springs Marsh.

Lower Don River Valley demonstration habitat wetland: environmental study report. Harrington and Hoyle. 1995. [711.40971354 H138 1995].
Study of wetland sites that led to creation of Chester Springs Marsh (updated from 1994).

Master plan for wet weather flow management: step 1 report. Dillon Consulting. 1998. [333.72097 T594].

Master plan for wet weather flow management: step 1 report appendices. Dillon Consulting. 1998. [333.72097 T594.2].

Master plan for wet weather flow management: step 2 terms of reference. Dillon Consulting. 1998. [333.72097 T594.3].

Natural Heritage Study. City of Toronto. 2001 [338.78097 C39].
Inventory of natural features and ecological habitat.

Obstacles and opportunities: realizing the potential of the West Don Lands, November 18-20, 1999: workshop final report. West Don Lands Committee. 2000. [711.42097135 W26].

Over the Don. Ron Fletcher. c2002. [971.3541 F47].
Anecdotal history of the Don River.

Our Toronto Waterfront: the wave of the future. City of Toronto. 1999. [917.13541 T59146].

Pesticide concentrations in the Don and Humber River watersheds. Ministry of the Environment. 1998-2000. [363.1792 P258].

Problem definition: present state of water quality in the Don River, supporting document #4: strategy for improvement of Don River water quality. 1991. [363.61 P68].

Proposal for master plan and costing for future public use of the former Toronto Brickworks property. Project Planning Ltd. 1989. [711.55809713 P6665].

RAP report: Strategies for restoring our waters. Environment Canada. 1990. [363.73946 S76].

Regeneration: Toronto's waterfront and the sustainable city: Final report. 1992. [711.40971354 R598.3].

Remembering the Don: a rare record of earlier times within the Don River valley. Charles Sauriol. 1981. [971.3541 S134].

Restoring natural habitats: a manual for habitat restoration in the greater Toronto bioregion. Waterfront Regeneration Trust. 1995. [333.7153 R26].

Strategy for improvement of Don River water quality: summary report. Paul Thiel Associates. Environment Ontario, 1989. [363.7394 P134].

Study of Don River watershed. H.G. Acres & Co. Metropolitan Toronto and Region Conservation Authority. 1962. [627.4 A19].

Feasibility study on constructing dams on Don River for flood control.

Tales of the Don. Charles Sauriol. Natural Heritage/Natural History, 1984. [971.354 S134].

Anecdotal stories from noted Toronto naturalist.

Toronto Parkland Naturalization Update. City of Toronto. c1999. [333.78315 T59].

Unlocking Toronto's port lands: directions for the future. City of Toronto. 1999. [711.40971 T592].

Turning the Corner: the Don watershed report card. Don Watershed Regeneration Council. 1997. [333.9162 D578].

Status of the watershed environment based on 18 criteria. Updated from 1994 (See Forty Steps...)

West Don Lands, The. Waterfront Regeneration Trust. 1995. [711.42097135].
